CALIFORNIA PROPOSITION 65 DECLARATION

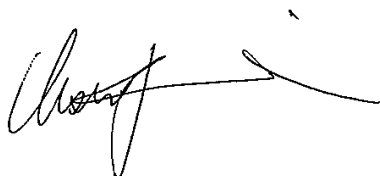

Dear Customer:

Antenova complies with California Proposition 65. All items manufactured by Antenova meet the California Proposition 65 workplace and customer information requirements.

This document certifies that the products manufactured by Antenova do not contain chemicals included in the latest California Prop 65 list with the exception of Nickel, Antimony, and Cobalt. These items are used in some products, but in no case are these substances deposited on the external surface, so there is no risk of human exposure.

Be assured, will continue to monitor the Proposition 65 regulations for any new chemicals. We will compare any newly listed chemicals with the raw materials in our finished product and communicate this information to our concerned parties.
